Wardrobe Requirements

Hello! We are so excited to work with background actors for Studio C. Below are the general and specific wardrobe requirements for each sketch that we will need all hired background actors to follow the best they can.

General Wardrobe Requirements:

- All background actors are **required** to bring their own under layers (Underwear, boxers, undershirts/tank tops, bras, socks, etc.) *Please note that if religious underwear is worn to set we will ask you to change out of it into your additional under layers.*
- **Avoid** extremely bright colors & loud prints. In order to assure that our background actors compliment the sketches please make sure to **avoid** neon and bright colors as well as loud prints and patterns unless specified in the sketch notes.
- **Avoid** large logos and brand names. We will not be able to use any clothing, shoe or accessory options that have large brand names or logos.
- **Do not** bring short dresses, skirts, shorts or sleeveless options. If dresses are required for a sketch please bring tights if the hemline hits above the knee.
- **No open-toed shoes, sandals, and flip flops.**
- **Must bring a minimum of 2-3 outfit options per sketch cast in.**
