

HOMESTEAD SEASON 1 2024//WARDROBE, HAIR/MU GUIDELINES

Set in "Modern Time." Bring appropriate **Wardrobe Options and Come Camera-Ready** for the **ROLE** you are booked for. Unless specified otherwise specifically to your role, please stick to these guidelines.

Layer Up! We will mainly be outside filming so wear thermals, compressions, etc. underneath to keep warm.

The location where we are filming is higher in altitude and can be cooler.

EVERYONE should be physically fit enough to be able to move around doing various jobs from: planting seeds, gardening, baking bread, harvesting fruit/vegetables, etc. **NOTHING labor intense**, but must expect to be doing some type of movement and may not be just staying still during the duration of filming.

General Wardrobe Guidelines:

- Try to bring **at least 3 wardrobe outfits** for the wardrobe department to select from.
 - Do your best to meet wardrobe requests
 - **DO NOT** overthink it. If unsure, just bring it; but do at least try to **make an effort**.
 - It's just nicer to wear clothing that you know that fit you.
 - Welcome to bring more options, but not your full closet.
 - **Don't ever feel obligated to go and purchase clothing** to be an extra if you don't have what is being requested.
 - Bring what you have and we will make it work with "movie magic."
- **Avoid** extremely bright/neon colors, loud prints, and stripes/horizontal line clothing.
- **Avoid** noticeable/large logos and brand names. If small, it can be cover with wardrobe tape if needed.
- **No open-toed shoes, sandals, and flip flops.**
- You can wear 1 option and bring the other options neatly folded in a suitcase, carry bag, on hangers, etc. to keep organized and wrinkle-free.

****Extras Holding will be outside** in covered tents with seating. With temperatures starting to be a bit cooler, **DO BRING** a jacket, blanket, throw, coat, or just something to keep warm during down time. You will not know how the day will go and even if it's hot/warm outside, we highly suggest you just bring something just incase**

MORE SPECIFIC WARDROBE DETAILS PERTAINING TO YOUR ROLE WILL ALSO BE SENT IN AN EMAIL

****Do not overthink this and do the best you can. But please do try to make an effort.**
